ANNOUNCEMENT

I wish to announce my candidacy for Selectman of Mattapoisett in the coming election.

Although several able men have declared their candidacies, I hope that my years of participation in our town government, combined with my record of speaking out strongly on public issues, will earn your support as the best qualified candidate.

The Selectmen took all bids under advisement and turned them over to Ambulance Committee Chairman Robert Moore to check against the specifications. Action on the vehicle will be subject to Annual Town Meeting vote.

The Board of Selectmen approved a transfer of $500. for equipment to be purchased for the present Pontiac ambulance from the Reserve Fund.

LICENSE ACTION

A seasonal all-alcoholic license for Edward F. Franco, d/b/a Village Package Store of Mattapoisett, Inc., was renewed.

The Spinnaker was granted a license for Public Entertainment on Sunday and for a juke box.

BUS CONTRACT APPROVED

A letter was read from Town Counsel Donald Fleming in which he approved the form of the contract to continue the present bus service from New Bedford. Chairman Blasdale asked that a check be made on the number of riders.

RENTAL BUSINESS PROPOSED

Purnell H. Guard, d/b/a Joe's Arco Station, outlined a business enterprise that he proposes to start at that location. Mr. Guard asked what the town requires of a used car rental agency. He will rent used cars on a weekly basis under the proposed name of "Rent

The Selectmen said that the town requires no license or permit that they are aware of, but will check with Town Counsel.

RESIGNATION ACCEPTED

Selectmen accepted with regret and with thanks for service the resignation of James A. Brett who resigned from the Zoning Committee. Mr. Brett is starting a business in Boston.

SEWER DISCUSSED

Selectmen met with Philip Sheridan and Ron Michalski of Tighe & Bond in lengthy session in preparation for the special town meeting to be held on April 11.

A Public Hearing is set for 8 P.M. Thursday, March 24, at Old Hammondtown School to inform the public. The engineering firm representatives brought the completed agreement that has been worked out with Fairhaven in months of negotiation for the tie-in with the Fairhaven treatment plant. Chairman Blasdale moved to accept the agreement subject to Town Counsel clearance and subject to ratification by the Town Meeting. Selectman William Hubbard seconded and both Selectmen signed the agreement which is dated November 5, 1976. The Selectmen and

the engineers continued a discussion begun last week of assessments and costs and the fairest way to divide the cost between general taxation and sewered homes. The consensus was that a 60/40 split of the cost would be the best approach - 60% to be recovered from general taxation and 40% from the sewered homes.

The Selectmen asked the engineers to prepare a breakdown of costs and a concise evaluation of the Fairhaven agreement and future potential of the sewer capacity for the information of the voters. This information, the sewer plan, and the article to be considered will be published for public information and study. The Special Town Meeting will consider two articles. The first will be to ratify the Fairhaven/Mattapoisett agreement. The second will consider borrowing to finance the system.

Ron Michalski will return to the next Board of Selectmen meeting with an outline of the public information sheets.

LICENSE GRANTED

Richard Lima, owner of Romeo's Package Store on Water Street, appeared for a public hearing on the all-alcoholic license renewal for his store. There were no objectors and the license was granted.

CETA PROGRAM LACK REPORTED

Stephen Lombard, executive secretary to the Board of Selectmen, reported a lack of communication between him and the New Bedford-PSE component staff. Mr. Lombard said that he was also disappointed with the CETA program because of their failure to properly familiarize him with the programs that are available and what his responsibilities are, as the town's representative, in administering the PSE program. Mr. Lombard said that some important items were discussed at the February 25th meeting but that "as always, Mr. Custodio's comments were the only ones that were given consideration in the news reports of the meeting".

NEW APPOINTEE DUE

John T. Oliveira, Superintendent of Old Colony Regional Vocational-Technical High School, notified the Board of Selectmen that a new School Committee member (3-year term) must be appointed on or before May 1 to fill the expired term of Vincent J. Worden.

ORDER TO THE BOARD OF SELECTMEN

Selectmen received a copy of a letter from the Office of Environmental Affairs to the Mattapoisett Board of Health disapproving of a tight tank proposal for sewage at King of the Road. The letter recommends the closing of the club for violations of Title 5 of the Mass. Environmental Code in accordance with the order issued by the Board of Health on July 21, 1976.

Owners plan a meeting with the Board of Health to work out a solution to the problem.

INSURANCE CONSOLIDATION

Stephen Lombard, executive secretary, suggested that the Board of Selectmen consider combining some insurance policies so that they expire at the same date. These combinations would simplify bookkeeping he advised. The Selectmen agreed and gave authority to accomplish this consolidation.

WHAT IS HOME HEALTH CARE?

"You can be taken care of at home" or "You can go home from the hospital now." These are some of the most welcome and wonderful words heard by anyone who has been ill. This means the chance to stay or be reunited with family members and friends and to be in the comfortable and well known surroundings of home. Health care begins at home. Home health care can prevent alternative forms of care.

Communities vary in the array of health services they provide and in the choices they offer their citizens for health care. Home health care is an integral and essential part of a coordinated health care delivery system in the community. Simply stated, home health care is bringing health and assistive

services needed by an individual or family into the home for the purpose of preventing illness, supporting optimum health, improving or restoring body functioning and enhancing life and living. It includes all of the professional and health services which may be needed for the practical and effective care of people at home. Such services are brought into the home on a part-time basis. As needed these services can be adapted to meet the health needs of individuals and families in all age groups, in all diagnostic categories and in all economic situations.

Personal care in the home is given by professional nurses on a part-time basis. Visits vary in length of time but usually do not exceed one hour. All treatments are ordered by a physician. Instruction and supervision of family members is given in personal care and treatments when the nurse is not there.

The nurses help prevent complications and disabilities through nursing intervention. The nurses aid the patient in acceptance of their illness or handicap. Rehabilitation is given to the patient's full potential.

Auxiliary help such as Home Health Aides from St. Luke's Hospital are secured through contract when necessary. The Home Health Aides services often prevent institutionalization by helping the family or the patient without a family by doing personal care, light housekeeping, laundry, meal planning and preparation, transferring and ambulating and other assignments as given by the nurse who is supervising her for a period of four hours for as many days a week as needed.

The District Nurses also have a contract with a speech therapist when this service is ordered by the doctor.

A typical day for the nurses, just to mention a few duties, would include sophisticated nursing care to monitor drugs, pacemakers, O2, do dressings and treatments, helping with exercises, special diet teaching and anything else that may be necessary.

A fee is charged for all visits. Payments come from Medicare, Medicaid, Blue Cross, insurances and private paying. No one is refused health care because of financial problems. A sliding fee is charged if the situation warrants.

To be continued

Parent-Teacher's Club

It's time again to begin plans for the PTC Fair. We have chosen May 21st this year as our Fair date. By then the weather will be sunny and warm and that also gives us plenty of planning time. Kathy Lynch and Mary Lou Hoyt will be co-chairmen for this event. We will need lots of workers, as this requires an all out effort to make the fair a success.

This year's goal is to raise money for the Art and Drama programs in our schools. As you know, this year the P.T.C. created a new position of Arts and Humanities Co-ordinator on our board to address this very important area. With more funds we can bring more programs here to our children.

The Mattapoisett Woman's Club is planning a meeting on March 24th that should be of interest to all members and their friends. Tall, short, a little too large, a little too small; everyone needs to shape up; especially now that Spring is on the way. So plan to be at St. Anthony's at 10:00 A.M. on Thursday, the 24th, and join in the fun. Sue Hottel will lead us in a simple exercise program; so wear shorts or slacks and bring a towel. A luncheon will be provided. Reservations should be placed with Mrs. Victor Demski, 31 North Street, by Friday, March 18th. After luncheon, Dr. Joseph Betts will speak on subjects pertaining to women and their health. This meeting is for both fun and information, so plan to be present and by all means bring a friend.

Remember, 10:00 A.M. Thursday, March 24th, at St. Anthony's Church Parish Hall.

"Clean Water"

NATIONAL WILDLIFE WEEK

"Clean Water" is the theme of the 40th annual National Wildlife Week to be observed nationwide March 20-26 with Robert Redford as National chairman. The Mattapoisett Land Trust, Inc. and the Mattapoisett Conservation Commission will again cooperate in sponsoring special programs, films and guest speakers at local schools during this week. Scheduled by the Land Trust guest speakers for the 5th and 6th graders at Old Hammondtown School are Kent Taylor, hydrogeologist at SRPEDD, and Dr. Philip Gidley of Gid-Lab, Fairhaven. Kent Taylor will also talk to 4th graders about the value of salt water marshes and show a Mass. Audubon Society color film, "The World of the Marsh". Repeating a program popular at Center School last year, Robert Lucas, Director of the Children's Museum, will give a slide show to 3rd grade students on the life of a salt water marsh. The Conservation Commission is making arrangements

Loft School OPEN HOUSE

All children who will be three or four years old next September are invited to bring their mothers or fathers to an Open House at Loft School. Come visit our classrooms, meet our teachers, join the children in some of their activities and have a snack. We hope you'll have such a good time that you'll want to become part of our group next year.

We welcome you to Loft School which has been operating for 15 years as a non-profit co-operative pre-school with classes for three and four year olds. The classrooms and playground are attractive and well equipped; the teaching staff is professional and well qualified. The basic emphasis of Loft is that the child be given a chance to work and play with children his own age, gradually developing good social habits and attitudes. His physical skills and creative capacity are explored and developed, his intellectual experiences are broadened and his emotional maturity is encouraged by adults trained to guide the child in these areas.

Open Houses will be held on Friday, March

VOTERS OF MATTAPOISETT

I am asking for your vote on April 6.

I am married, have three sons, and have been a resident of Mattapoisett for 28 years.

I am a home owner and realize the problems confronting us all.

As your next Selectman, I will do everything within my power to keep our taxes as low as possible.

Thank you,

Saturday, March 5th, it was Gold vs. Orange. Gold led the first quarter 6 to 3, but 6 points scored for Orange in the second quarter and none for the Golds had them now trailing 9 to 6. The game got real close in the third quarter with the Orange leading 13 to 12. Orange picked up 5 more points in the final quarter and Gold none to let Orange win 18 to 12. Highest scorer was Mark Kroninger of the Orange with 7 points.

Sunday morning it was Green vs. Gold. Gold scored 8 points in the first quarter and Green 0, but the Greens came back with 10 points in the second quarter and Gold with none were now trailing 10 to 8. With a spectacular comeback in the second half, the Golds scored 27 points to the Greens'

7 and Gold walked away winning 37 to 17. Terry Bassett was high scorer for the Greens with 11 points. Kevin Talty was high scorer for the Golds with 10 points.

Monday evening it was Red vs. Black in a close game with Red leading at the half time 12 to 11. It was the final quarter with 8 points by Chris Riley that gave the Blacks a 4 point lead to win 25-21. High scorer for the Reds was Gary LeBlanc with 16 points. High scorer for the Blacks was Chris Riley with 17 points.

In the second game of the evening the Purples managed 17 points in their first quarter to give the Blues some tough competition. The Blues, with only 1 point, gained 7 more in the second quarter and prevented Purple from scoring any baskets. The Purples with a 9 point lead at half time gained an additional 16 points in the second half and the Blues gained 6 points but it wasn't enough and Blues bowed to Purples 34 to 14.

Friday night's first game was Gold vs. Blue. The Golds' Kevin Talty scored all of their 8 points in the first quarter to the Blues' 1. At half time the Blues were only trailing by 3 points. The second half the Golds went all out and scored 18 points and the Blues none. The Blues bowed 28 to 7 to the Golds. The Golds can thank Kevin Talty with 18 points.

The second game of the evening was Red vs. Green. At half time the score was tied 6-6. It was the Reds in the second half who surged ahead to win their first game of the season 18-10. High scorers for the Reds were Gary LeBlanc and Steve McGonigle with 6 points each.

The final game of the evening was White vs. Orange. At half time Orange was leading 11-8. Fourteen points for Orange and 4 for Whites in the second half gave Orange a 25 to 12 win. High scorer for the Whites was Chris Lomba with 10 points. High scorer for Orange was Mark Kroninger with 8 points.

LITTLE LEAGUE BASKETBALL

The Mattapoisett Little League Basketball program will begin the playoffs during the week of March 21st. This playoff format will enable all teams to participate in the playoff activities during the final week of the season.

As things stand at the present time, the league championship playoff will take place between the Orange, the first round champions, and the winner of the second round.

league championship playoff, 1:00 P.M.;

Third Game of League Championship Playoff Series, if needed, will be played on Monday evening, March 28th, at 6:30 P.M.

All games in the playoffs will be played at the Old Rochester Regional Junior High School. Admission is free of charge and all are invited to attend. The program this year has been a most successful undertaking and the brand of basketball played has resulted in many excellent games. People would enjoy watching the future stars of the Old Rochester Regional School basketball teams.

Further information regarding the playoffs will appear in next week's Presto.

Grange News

Plans are building for the day in May, Sunday, May 22nd, which will be "Booster Day" for Mattapoisett Grange. All organizations will be invited and we hope they will help us to celebrate that day. An interesting program will be presented by the committee headed by the Worthy Master, Dennis Sylvia. Watch the Presto for more about May 22nd.

Work has been started on the Grange Hall but to continue the work there must be a good attendance Thursday night, March 17th, at the meeting that will be held in the Grange Hall.

There's a whole lot of voters who want to see Jack DeCosta Mattapoisett's next selectman.

JACK DECOSTA WITH BICENTENNIAL COMMITTEE MEMBERS DOROTHY FOX, LOIS MURRAY AND WINFIELD JENNEY.

That's because we recognize and respect his total dedication to serving our community and the strong leadership qualities he's shown.

As Chairman of Mattapoisett's Bicentennial Celebration, Jack DeCosta was the guiding hand behind a year long series of events that earned the town richly deserved recognition statewide and nationally.

But it has always been that kind of full effort with Jack DeCosta, whatever the community task. From his early boyhood growing up here, he's always made the time to serve. Thirty three years' worth.

It seems to us that that's the kind of commitment that makes us want to see him go on serving.

We're among those voting for Jack DeCosta April 6.
